Branch County Sheriff's

State of Michigan District Attorney

RE: I outlined alot of the things happening in the eight Page complaint. Attached to my families Federal Cases to give the court an Idea on this history Subject matter that has been going on for years. I need a Permut Injunction for there Abuse of there powers and abuse of the process. I need the DNA test of my Daughter. This is a form of Hostage taking and Kidnapping by Judicial force. Branch County needs all this Listed Writs above. The high courts can Look at Branch County courts Like the Babysitter then Ran up the Phone Bill in the 1990's, Even the Babysitter abused the situation and Power of Authority one was Granted. I invoke all my Rights that Case Number # 22-cv-00515-L-BGL fights for. Branch County Denies these rights to myself and my family. I need the Department of Defense Document Release Order from Prison they fail to give me. Or my Attorney's they even fail and Denied me to get a Birth Certificate. They use there Sheriff Network to commit Judicial war on my Executive Position. Which is Treason, Against this country, Admiral William Galinis would not be happy about this, the Yemen Situation goes Deep in his heart Losing his men on the USS Cole, And Branch County Protects the Non American Yemen Men that Abuse there Women in our communities. This might Be Political But I ask the high courts to ORDER The DNA, ORDER The District Attorney for final Disposition Regarding the felony Charges they have against me, And honor all FOIA Request that I send to them. I need them to send Correspondences Back. I need Branch County to come collect the Warrant or Quash the warrant. They have had enough chances to collect. I am not going to Serve Double Prison Sentences for there corruption. I want to come home to get my Daughter and Raise my family. They need to allow me equal and Fair Access to The Courts. Since they did not take Jurisdiction to the Subject matter

of DNA. I ask the courts to issue them a Judicial Review on a matter they have failed to Answer. Branch County is upset I am Intranet and everyone else in the world is Internet.

Intranet on the Government Enterprise. I have integrity and I do not abuse my Powers as Intranet Global world Administration.

I need that order of Release from prison that Branch County Courts are keeping from me. A Judicial Government Coverup over Executive Government Position. They Better Ceses and Disist the actions. In the mean time I PRAY to the high courts to grant my Relief for DNA Testing, Order them to Recall the unlawful Warant for violations to my Speedy Trial rights and violations of my Due Process. Make the Courts and County Government OBEY Local, State, and Federal Laws including International Trade Laws.

I want Branch County to Compel to my full Discovery and FOIA Request. I want an Order Stopping them "Gag Order" from making Anti Executive Government Comments About me being a Judicial Branch they have No Oversight in the Executive Branches of Government. I want 40 copies of that order of Release mailed to:

Kerry Sales De La Miya # 1550200

Calcasieu Sheriff's Department

Po Box 2017, Lake Charles, La, 70615

I would have Paid for the copies, But since they made me use all my Paper I want the courts to Order them to use there Paper up to 5000 Sheets of Paper. I seek also Relief of 5,000 Copies of any Documents I request in a Discovery or FOIA Request. I don't have the Address to the Western Michigan District Courts could you Please send Every thing to the Correct Federal District Court I am very Limited on the Court Addresses.

RE! The courts quoted "La CCRP 701" the State has 60 days to Bring Billy of Information and Indictment in Felony Cases.

RE! La CCRP 701 (2)(a)(b) "Surpa" 120 days to Bring Speedy trial or Be released from Bond Conditions. following a contradictory hearing.

We ask the courts to grant the "Order of Release" from Jail or Prison.

Note! The courts signed a 48 hour Warrant. The Warrant was up in 48 hours, I was never released. I demanded Habeas Corpus many times. The Detectives did not submit there investigation until July 19 2023 which went way beyond the 48 hours PC Warrant. "False Imprisonment" "Supra" "Galinis V. Breach County Sheriff's Department" Deputy Amanda Lied to Judge Canaday and signed the request for the warrant the statement was on all three "48 hour Warrants" the Quote in my warrant I never made those statements and she Lied under Perjury. Also Detective Harve, Ben Lied as well. Then Entering into my Place of Business "Without a Warrant" is "unlawful". It was a violation against my rights. All the "Amendments" was in violation. "You Can't break the Law to enforce the Law" Also the Detectives allowed "Evidence" to be Stolen and Destroyed. By allowing a Dumpster to be ordered after I asked the Calcasieu Parish to get these Items, I requested Electronic and Written to the courts. I motion the courts "PETITION" to order the Preservation of Evidence with a "restraining order" and a "Injunction" on address "728 LA-397, Lake Charles, La, 70615" I was not Equally Protected Under the Law and my rights was in violation. Again, I wrote writs, motions the courts Never responded to NONE of them. I sent "Notice of Hearing" and "Served Process" was in violation of all Parties. I sent Notice of hearing by a Sheriff Deputy Kelly This is a violation of Court Room Rules & Ethics, violation of Serve Process.

14th Judicial District Court

RE: AS 33:1884 Liability for failure to serve process; Prima Facie Evidence

Now comes into court, ExecSecDef Kerry Salas De La Miya, on the 18th month of November, 2023. The Sheriff Deputies have Neglected, Failure and Refused to serve process and the legal process. They have only served process for the Calcasieu Parish 14th JDC and not allowing any inmate to equal access to the courts or equal protection under the law.

The Sheriff Deputies are being Bids and most of them are not trained to their duties as a Deputy. They have caused injury in so many ways, their certificate of bond could not even pay the losses ^{"\$"} "\$32,000,000" a day in Bitcoin Mining. Please see this site.

"<https://www.411DOTCOM.WORDPRESS.COM>" to see my Bitcoin wallet they have stolen from me. again. Robbery and Conspiracy. I placed many writs, motions and notices in Deputies Hands; They never got to where they were supposed to go. Now the Sheriff's may require a indemnifying bond or advance of security for cases provided by law. I sent a FOIA Request to the Deputy Clerk for the bonds in the book they keep the bonds in. They will not allow me the Certificate of Bonds, on the officers that violated. They are responsible for the full amount of my injury.

Money and my Freedom. I need the courts to Place a Mandamus to compel on them from serving process. They cut off all my mail, in and out of this prison and they keep me locked up 24/7/365. They Robbed me a long side the Wilford D. Carter family. "AS 33:1884 Liability for failure to serve process" needs to be addressed by all courts of the land. This should bring to all the Chief Judges Attention of the State of Louisiana or Face-de-Bar. We put quality into the justice system not take the quality out of the justice system. ① "Failed to conduct an Adequate investigation" The Deputies Stated Melissa was staying above Kerry Salas De La Miya in the room up stairs closest to the road, where they found the Drugs. They failed to take Photos of the upstairs, where the Drugs was found, Melissa Renee Floyd Miller admits to the Deputies "John Frederick" had just got done giving her the Drugs to her before the Warrantless Search, unlawful Raid of the Shop. And the 48 hour warrants was also Defective, from the lies it obtained. And also "Detective Ben Here" lied about speaking with Lathe e Blum, Inc about the Lease, But he will add the statement from Christopher Salvador and not the Statement from the Broker. Why? 1/2 truth. One sided Story to present a false crime, to commit crimes against my company "Trade Secret Stealing" I can prove it.

② Insufficiency of Evidence: be for a grand Jury. The Deputies used the same Statement that was a Lie in all 3 warrants. Even for the Statement in all 3 Arrest Warrants.

Perjury by the officer and Amanda signed her name to the Lies under Perjury.

③ "No Search Warrant Was Issued": and the Probable warrant was only good for 48 hours. Broke the Law, violate my rights to a Warrantless Search. Supra's challenge based upon Guilty Plea to Accusatory instrument which is void because the Prosecutor's Knowledge that the only evidence to support is false" (Quoting People v. Pursuant to La C.Cr 701

Now Comes into Court Exec Sec Def Kerry Salas De La Miya on Nov 20 2023 asking, Praying, and Requesting the WD US Courts of Louisiana for a mandamus ordering a show cause hearing regarding the Law "La. C.Cr. P 701 Speed trial" The courts addressed the Issues of the Law "La C. Cr. P. 701 (A)(B)(C)(D)(E)(F) and (2)(3)(4)(5)(6)(7)(8)(9)(10)(11)" that Benefits the District Attorney and the State of Louisiana, The 14th JDC fails to give me equal access to the courts which violates my rights as well "This is Prime Fecie Evidence of them violating" that this is going on. Now I need a Mandamus to Compel and a "Writ of Prohibition" and a "injunction order" to keep them from doing this anymore. A perminit injunction. Deputy Clerk of Calcasieu
Ms Romero Deputy Clerk

RE: FOIA DOCUMENT REQUEST CALCASIEU PARISH SHERIFF'S
DEPARTMENT CERTIFICATES OF BONDS

RE: RS 33:1884; Liability for failure to serve process; Prima Facie Evidence

Now comes into court, ExecSecDef Kerry Salas De La Miya on the 18th day of November in the year 2023, asking the U.S. District Court of Louisiana to issue a Mandamus to compel the "Calcasieu Parish Deputy Clerk" to give me copies of Fronts and Backs of Every Deputy Sheriff's in this Calcasieu Parish. There is around 580 Sheriff Deputies and around 83 Detectives. "That is a total of 613 Bond Certificates on Record I need" I will not waste 8 years of my life in court fighting a corrupt officer, I will take his certificate of Bond and he will no longer work in law enforcement. That way the good officers stay and the bad apples go get another job in a different industry that does not involve violating the process and a chance to abuse their authority. I will put the integrity back into the Calcasieu Sheriff's Department. I will take one bond at a time on the front line. I will be cancelling their bond or cashing it in for violating the Louisiana Law of RS 33:1884; Liability for failure to serve process; Prima Facie Evidence

The Deputy Clerk needs to stop violating Federal and State Laws that violate the "Freedom of Information Act". I am not asking her for private records or personal records, I am asking for public records under her control. She is "Denying me equal access to the courts" Why?? Is it because of my Race, color, sex, origin, Religion, etc ???
